SUMMER DANCE CLASSES

This year, our Summer Technique Building Program will begin the week of July 9th. It is a 5 week ***intensive program*** that allows for longer group technique classes. Semi-private and private lessons will be offered but not guaranteed. Please review the attached schedule and list below what you would like to enroll your child in for the 5 weeks. All Summer confirmation of schedules will be ***emailed*** out approximately 2 weeks prior to the starting week, if you do not have email, please indicate below so a schedule can be mailed. If a specific class does reach the minimum enrollment, we receive the right to cancel the class. We will try to offer you another class if this happens.

Payment for entire Summer session will be due at the first class. Please note that pricing for Summer is different as the classes are longer and are based upon 5 weeks of intensive classes instead of nine months.
